**Special Aircraft Recognition of Our Front-line Workers**

Saturday April 25th, at precisely 10:09 a.m., five vintage (1955) Beechcraft airplanes flew over our hospital in V-formation for approximately five minutes in length to honor and recognize the tireless efforts of our staff during this pandemic to care for one another, our patients, and our communities.

Dignity Health - Northridge Hospital Medical Center (NHMC) and recently discharged COVID-19 patient, Zachary Ocab, were featured on ABC Channel 7 News earlier today.
