

“Helping Hands Holiday Jam” Event for Children Heart-Warming Holiday Event

On Friday, December 6, 2024, the Northridge Hospital Foundation and Northridge Hospital Medical Center is excited to host the 24th Annual *“Helping Hands Holiday Jam”* for nearly 350 underserved children.

Northridge Hospital Foundation and Dignity Health - Northridge Hospital Medical Center (NHMC), in partnership with many community partners and donors, will turn an ordinary parking lot into a child’s holiday extravaganza! Three hundred and fifty (350) underserved children from the San Fernando Valley have been invited to celebrate a true gifted Christmas with carnival games, arts and crafts, food, a visit and photo with Santa and a bag full of gifts to take home. For the past 23 years the **Holiday Jam** has been a Holiday highlight for thousands of children from our local area elementary schools between the ages of 7-10. These children are part of the **“Title1/No Child Left Behind”** program that provides financial assistance to local agencies for the education of children of low-income families. For many of these children, this will be there only Christmas.

This is a special day for these children to celebrate and just be a kid. Thanks to the 100+ volunteers from NHMC and the community who donate their time, money and products to make certain that this event is a success.
